**ELBERT AND HIGHWAY 86 COMMERCIAL METROPOLITAN DISTRICT  
2023 BUDGET  
SUMMARY OF SIGNIFICANT BUDGET ASSUMPTIONS**

**Services Provided**

The District, a quasi-municipal corporation and political subdivision of the State of Colorado, was organized by order and decree of the District Court for Elbert County on November 26, 2002, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District operates under a Service Plan approved by the County on July 10, 2002, and as modified on October 2, 2002. The District's service area is located entirely in Elbert County, Colorado.

The District was established to provide for the construction, acquisition, and installation of water improvements and facilities in its service area within Elbert County (County). During 2004, the District amended its Service Plan to allow it to construct, acquire, finance, operate, and maintain certain public improvements including streets, traffic safety controls, street lighting, water, sanitary sewer, landscaping, storm drainage, television relay, and mosquito control facilities and improvements for the District's commercial development, in addition to the water services and facilities outlined in its original Service Plan.

On November 5, 2002, the District's voters authorized general obligation indebtedness of \$2,300,000 for water facilities and \$56,500 for general operations and maintenance. The election also approved \$2,300,000 for repayment of the combined approved debt. In an election held on November 2, 2004, the following general obligation indebtedness was authorized: street improvements - \$4,139,107, storm sewer/drainage improvements - \$811,662, water improvements - \$5,119,761, sanitary sewer improvements - \$4,929,560, operations/maintenance - \$50,000, and debt refunding - \$15,000,000.

On December 15, 2016 the District entered into a Water Service Agreement with Rangeview Metropolitan District (Provider) where the Provider paid the District in the amount of \$1,600,000 in exchange for the exclusive license to use, treat, and distribute the water rights for the purpose of furnishing water service to the District customers. The District shall transfer ownership of all components of the SCADA system and the automated meter reading system to the Provider so the Provider can read the meters and bill the District customers. The Provider shall keep and maintain accurate records of all contracts and expenses related to the District water system and all other records necessary for the administration and operation of the District water system.

The District has no employees and all operations and administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

**Revenues**

**Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes

2023 BUDGET  
SUMMARY OF SIGNIFICANT BUDGET ASSUMPTIONS**

**Revenues (continued)**

during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The District is required to impose a maximum Required Mill Levy of 5.000 mills for collection in 2023. Required Mill Levy means an ad valorem mill levy imposed upon all taxable property of the District each year in an amount to pay the principal, premium if any, and interest on the Bonds as the same become due and payable [and to make up any deficiencies in the Reserve Fund].

Per a Memorandum of Mill Levy Cap dated August 7, 2007 the District has agreed that Wal-Mart, which is the major owner of the property within the District, will not be subject to an operations mill levy in excess of 5.000 mills.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

Senate Bill 21-293 among other things, designates multi-family residential real property (defined generally, as property that is a multi-structure of four or more units) as a new subclass of residential real property. For tax collection year 2023, the assessment rate for single family residential property decreases to 6.95% from 7.15%. The rate for multifamily residential property, the newly created subclass, decreases to 6.80% from 7.15%. Agricultural and renewable energy production property decreases to 26.4% from 29.0%. Producing oil and gas remains at 87.5%. All other nonresidential property stays at 29%.

**Specific Ownership Taxes**

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 17% of the property taxes collected.

**PILOT Revenue**

PILOT Revenues are the revenues received by the District pursuant to the terms and provisions of the PILOT Covenants with respect to payments in lieu of debt service mill levy property taxes. PILOT Covenants means collectively (i) the Exclusion/PILOT Agreement by and among the District and Wild Point Partners, Inc., Shops at Wild Pointe, LLC and Shops East, LLC dated April 4, 2012 (the "East PILOT Covenant"); and (ii) the First Amendment to Exclusion/PILOT Agreement dated April 8, 2021 made by Wild Pointe Investment Properties, LLC for the benefit of the District (the "West PILOT Covenant").

The East PILOT Covenant and the West PILOT Covenant contain substantially similar terms and provisions, but impose their respective payments in lieu of taxes at different rates. The East PILOT Covenant imposes a PILOT of 12 mills and applies to the property in Property Groups 2 and 3. The West PILOT Covenant imposes a PILOT of 30 mills and applies to the property in Property Group 4. The Walmart parcel is located within the boundaries of the District and is subject to the mill levies of the District rather than the PILOT Covenants.

**ELBERT AND HIGHWAY 86 COMMERCIAL METROPOLITAN DISTRICT  
2023 BUDGET  
SUMMARY OF SIGNIFICANT BUDGET ASSUMPTIONS**

**Revenues (continued)**

**Water Tap Fees**

For the provision of water service, the District imposes a tap fee on each developable lot which the District will serve, at the time of issuance of a building permit by the County.

**Net Investment Income**

Interest earned on the District's available funds has been estimated based on historical interest earnings.

**Water Service Fees**

Rangeview Metropolitan District (Provider) operates a potable water facility and charges homeowners and commercial users a fee for water usage. The Provider is responsible for reading the meters and billing the District customers. The Provider is also responsible for collection efforts on delinquent accounts.

**PIF Revenue**

The District will collect a public improvement fee (a "PIF") of 4.0% of the total taxable sales transactions occurring within the boundaries of the District. Upon receipt of the PIF, the District shall remit 40% of the amount received to the Town of Elizabeth to pay for the costs associated with the commercial property and its related impacts. The remaining 60% of the proceeds of the fee are pledged for debt service.

**Road Maintenance Fee**

The District collects an annual road maintenance fee from the commercial property owners to help with the cost of maintaining, repairing and replacing the road. The initial fee of \$2,600 per lot is due and payable on or before January 1 and shall increase by 2% every year for the first 20 years starting from 2017.

**Expenditures**

**General and Administration Expenses**

Operating and administrative expenditures include the estimated services necessary to maintain the District's administrative viability such as legal, management, accounting, general engineering, insurance, banking, meeting expense, and other administrative expenses. The costs to operate the potable water facility are accounted for in the Wild Pointe Water Activity Enterprise Fund.

**Debt Service**

Principal and interest payments are provided based on the debt amortization schedule from the Series 2021A Bonds (discussed under Debts and Leases).

**ELBERT AND HIGHWAY 86 COMMERCIAL METROPOLITAN DISTRICT  
2023 BUDGET  
SUMMARY OF SIGNIFICANT BUDGET ASSUMPTIONS**

**Debt and Leases**

On April 20, 2021, the District issued \$25,150,000 of Special Revenue and Tax Supported Refunding and Improvement Senior Bonds, Series 2021A, and \$3,815,000 of Special Revenue and Tax Supported Subordinate Bonds, Series 2021B. The proceeds from the sale of the Bonds were used for the purposes of (i) refunding the District's outstanding Public Improvement Fee Revenue Bonds, Series 2008A, (ii) finance or reimburse the costs of public improvements, (iii) fund the Reserve Fund, (iv) fund capitalized interest on the Senior Bonds, and (v) pay the cost of issuing the Bonds.

The Senior Bonds were issued as three term bonds that bear interest at rates ranging from 3.750% to 5.000% per annum, payable semiannually on June 1 and December 1, beginning June 1, 2021. Annual mandatory sinking fund principal payments are due on December 1, beginning on December 1, 2024. The Senior Bonds have a final maturity of December 1, 2051.

To the extent principal of any Senior Bond is not paid when due, such principal shall remain outstanding until paid and shall continue to bear interest at the rate then borne by the Senior Bond. To the extent interest on any Senior Bond is not paid when due, such interest shall accrue and compound on each interest payment date at the rate then borne by such Senior Bond.

The Senior Bonds are secured by and payable solely from and to the extent of Senior Pledged Revenue which means the following: (a) Senior Property Tax Revenues; (b) the portion of the Specific Ownership Tax which is collected as a result of imposition of the Senior Required Mill Levy; (c) the PIF (Public Improvement Fee) Revenues; (d) the PILOT (Payment in Lieu of Taxes) Revenues; and (e) any other legally available moneys which the District determines, in its absolute discretion, to transfer to the Trustee for application as Pledged Revenue.

The Subordinate Bonds bear interest at the rate of 8.000% per annum and are payable annually on December 15, beginning December 15, 2021 from, and to the extent of, Subordinate Pledged Revenue available, if any, pursuant to a mandatory redemption. Unpaid interest on the Subordinate Bonds compounds annually on each December 15. The Subordinate Bonds mature on December 15, 2051. The Subordinate Bonds are structured as cash flow bonds meaning that there are no scheduled payments of principal or interest prior to the final maturity date.

In the event that any amount of principal or interest on the Subordinate Bonds remains unpaid after the application of all Subordinate Pledged Revenues available therefor on December 15, 2060, the Subordinate Bonds shall be deemed discharged.

The Subordinate Bonds are secured by and payable solely from and to the extent of Subordinate Pledged Revenue from the following sources, net of any costs of collection and any property tax refunds or abatement authorized by or on behalf of the County: (a) the Subordinate Property Tax Revenues; (b) the portion of the Specific Ownership Tax which is collected as a result of imposition of the Subordinate Required Mill Levy; (c) the PIF Revenues and PILOT Revenues remaining after deduction of all amounts applied to the payment of Senior Bonds; and (d) any other legally available moneys which the District determines, in its absolute discretion, to transfer to the Trustee for application as Subordinate Pledged Revenue.

**ELBERT AND HIGHWAY 86 COMMERCIAL METROPOLITAN DISTRICT  
2023 BUDGET  
SUMMARY OF SIGNIFICANT BUDGET ASSUMPTIONS**
